# Year 1 News!

Autumn Term 2

November 2021

## Big Ideas

*Our Oceans  
and our  
environment.*

*Celebrating  
difference*

## Welcome back Year 1!

We hope you all had a lovely half term!

This term, our focus book is *Tiddler* by Julia Donaldson. We will be focusing on using finger spaces, punctuation and extending our sentences using and. We will be learning about how to look after our environment and how our actions affect the world around us.

In maths we will be learning our number bonds, addition and subtraction to 20, and place value.

In science we will be learning about the weather and seasons. We will be observing the changes in weather and going on an Autumn walk.

Our History will be focusing on the gun powder plot and the role of Guy Fawkes.

## Spelling Shed, MyMaths and Numbots

Each week, there will be a list of spellings on Spelling Shed and homework on MyMaths. These are areas that we have been learning about recently. Feel free to practise on the website or write the spellings and maths down. Your child can also work their way through the Numbots games online and earn certificates at the end of each half term.

If you have any problems signing in or using them, please see the class teacher.

## Dates to remember

17<sup>th</sup> November – INSET day

## Reminders

### P.E

Our P.E. sessions will take place on Fridays. The children will still be doing PE in their uniform or in comfy clothes that they arrive in.

### Reading books

All of the children should have a reading book in their book bag. Please read with them at home as often as possible and feel free to change your child's book at any time.

### Water bottles

Please make sure your child brings bottled water to school each day.
